YEAR 12 2009
STUDENT DESTINATIONS
Dalby Christian College

Introduction
This report is based on the findings of the Queensland Government Next Step survey, which targeted all students who completed Year 12 and gained a Senior Statement in 2009, whether they attended a Government, Catholic or independent school, or a TAFE secondary college. The Office of the Government Statistician conducted the survey between 30 March and 12 May 2010, approximately six months after the young people left school. Responses were predominantly collected via computer-assisted telephone interviewing with a paper-based survey collected from a small number of students for whom telephone details were not available.

The statewide and regional reports of the Next Step survey can be located at the Next Step website at www.education.qld.gov.au/nextstep

Definitions of main destinations
The pathways of Year 12 completers were categorised into ten main destinations. Respondents who were both studying and working were reported as studying for their main destination. A table defining these categories can be found in the statewide report at www.education.qld.gov.au/nextstep

Summary of findings
In 2010, five young people who completed their Year 12 at Dalby Christian College in 2009 continued in some recognised form of education and training in the year after they left school.

The most common study destination was university (four respondents).

One Year 12 completer commenced employment-based training, as a trainee.

There were no respondents from this school who deferred a tertiary offer in 2010.

Three respondents did not enter post-school education or training, and were either employed (one) or seeking work (two).
